LEINO PARK WATER DISTRICT PWS# 2332005

Our Public Water System has no Lead, Galvanized Requiring Replacement (GRR) or Unknown Service Lines

On November 24, 2024 MassDEP received Leino Park Water District's request for approval to release a statement that our system has no service lines of Lead, Galvanized Requiring Replacement (GRR) or unknown materials. This statement is based on the results of a service line inventory that was developed using the following verification method(s):

- Field Inspection by PWS
- Records Review
- Statistical Analysis
- Customer Self-Identification
- Sequential Monitoring
- Other(s) MassDEP-Approved Method(s):

Disclaimer: This statement is based on the initial service line inventory for our system as required by the Environmental Protection Agency (EPA) under the Lead and Copper Rule Revisions. Final approval of this statement will be based on a final review of the service line inventory.

This document may be found at www.leinopark.org/news/news.html and will be updated as required by DEP.

For information on all service lines in the Leino Park Water District contact
Derek Knerr - Water System Operator
